GERMAN & FRENCH TYPE CHIPS CELEBRATING SYMRISE' & DIANA'S UNIQUENESS IN SNACK FOOD

The iconic snack is becoming more and more natural: Consumers want to know that only the best ingredients are used. In the past years, we have combined our natural flavors, colors and spices – from red wine vinegar and beef powder to onion extract and natural flavors – in such a way that the wishes of consumers can be fulfilled with diverse compositions: Creating a healthier, more authentic snack that also tastes great.
